# BROM + JOY

## Gift-giving during the Holiday Season can be a stressful "additional duty"

*Do these resonate with you?*

- You are looking for something special other than typical branded swag (aka heading to the junk drawer or donation pile).
- You have important clients, partners and employees and you want the gifts to make them feel appreciated and special - and stand out.
- You don't have time to spend searching multiple websites and stores for the perfect gift items.
- Wrapping and assembling gifts sounds time consuming
- You don't have time to wait in the post office line

If you said "yes" to any of the following you should consider custom gifting services!

# HOW DOES CUSTOM GIFTING WORK?

## Step 1

Reach out via [hello@bromjoy.com](mailto:hello@bromjoy.com) or submit a request on our website. Please provide details like your need date, budget, number of gifts and if you would like to add custom items or mix and match items.

## Step 2

We will reach out promptly for and initial consultation. If you decide to move forward with our gifting services, we will charge a retainer fee for gift design (applied to your overall gifting cost).

## Step 3

We present you a design and can make iterations until it is perfect. Once the design is approved 50% of the gifting cost will be charged upfront, minus shipping costs.

## Step 5

We take it from here and order gift items and assemble your gifts. All we need is gift recipient addresses!

## Step 6

Gifts are shipped! The remaining 50% cost of gift and at cost shipping are invoiced to you prior to ship.

## What can you customize and/or brand?

- Gift items like Yetis, Journals
- Printed items like cards, postcards, inserts, & gift tags
- Gift box belly bands

# FAQ'S

## **Can I customize my gifts with items or add custom branding (i.e cards, gift tags or branded gift items)?**

Absolutely, please reach out to [hello@bromjoy.com](mailto:hello@bromjoy.com) as soon as possible so we can curate a gift collection. Holiday custom gift orders must be placed prior to December 1, 2022.

## **Can I mix and match items?**

In many cases yes, reach out to [hello@bromjoy.com](mailto:hello@bromjoy.com) so we can work towards a perfect solution!

## **What is the last date I can order gifts for the 2022 Holiday Season?**

Any gifts ordered after December 15th 2022 will not be guaranteed for delivery prior to December 25, 2022. We always encourage customers to order as soon as possible as we work with many small business and suppliers who cannot surge production and shipping in short timeframes.

## **How do I place an order?**

Please email [hello@bromjoy.com](mailto:hello@bromjoy.com) or complete a online form on our website under Holiday Gifting at [www.bromjoy.com](http://www.bromjoy.com).

## **Why do you have product minimums?**

We purchase items from small businesses Minimums help us accurately predict inventory and not be wasteful by purchasing unneeded items. Our minimums are significantly lower than much of industry.
