2023 CHRISTMAS HOLIDAY GIFTING CATALOG

CUSTOM & CURATED GIFTING

BROM + JOY

Gift-giving during the Holiday Season can often feel like an additional stress-inducing task. Do any of these situations sound familiar to you?

- You're in search of something truly special, something that stands out from the usual branded swag that often ends up in the junk drawer or donation pile.
- Your clients, partners, and employees are important to you, and you want your gifts to convey your appreciation and make them feel truly special.
- The thought of scouring multiple websites and stores in search of the perfect gift items AND wrapping them seems daunting and time-consuming.
- Waiting in long post office lines to send out your gifts is the last thing you want to do.

If you've nodded along to any of these scenarios, it's time to consider the convenience and personal touch of our custom gifting services!

HOW DOES CUSTOM GIFTING WORK?

Step 1

Reach out via hello@bromjoy.com or submit a request on our website. Please provide details like your need date, budget, number of gifts and if you would like to add custom items or mix and match items.

Step 2

We will reach out promptly for and initial consultation. If you decide to move forward with our gifting services, we will charge a retainer fee for gift design (applied to your overall gifting cost).

Step 3

We present you a design and can make iterations until it is perfect. Once the design is approved 50% of the gifting cost will be charged upfront, minus shipping costs.

Step 5

We take it from here and order gift items and assemble your gifts. All we need is gift recipient addresses!

Step 6

Gifts are shipped! The remaining 50% cost of gift and at cost shipping are invoiced to you prior to ship.

What can you customize and/or brand?

- Gift items like Yetis, Journals
- Printed items like cards, postcards, inserts, & gift tags
- Gift box belly bands

HELLO@BROMJOY.COM

FAQ'S

Can I customize my gifts with items or add custom branding (i.e cards, gift tags or branded gift items)?

Absolutely, please reach out to hello@bromjoy.com as soon as possible so we can curate a gift collection. Holiday custom gift deposits must be placed prior to November 1, 2023. We work with small businesses who often sell out of the most delightful items we curate. Gift orders can be accepted until December 1, 2023 but there is no guarantee the items in the catalog will be in stock and available. We will curate gifts based on available items after these deadlines.

Can I mix and match items?

In many cases yes, reach out to hello@bromjoy.com so we can work towards a perfect solution!

What is the last date I can order gifts for the 2023 Holiday Season?

Any gifts ordered after December 15th, 2023 will not be guaranteed for delivery prior to December 25, 2023. We always encourage customers to order as soon as possible as we work with many small businesses and suppliers who cannot surge production and shipping in short timeframes. If you can't make this timeline we recommend considering New Year's Gifts instead!

How do I place an order?

Please email hello@bromjoy.com or complete an online form on our website under Holiday Gifting at www.bromjoy.com.

Why do you have product minimums?

We purchase items from small businesses. Minimums help us accurately predict inventory and not be wasteful by purchasing unneeded items. Our minimums are significantly lower than much of the industry.
